

Jeff Flancer, Mayor Lewis, 2011 winner, Miss AZ

Dear Potential Sponsor, Please help make our 12th Raising the Fun Fundraiser greater than ever!

Last year, we raised over \$33,000 and this year, we are determined to reach for even more!

“Warfighter Sports sincerely thanks Flancer’s and all involved in the **Pizza Eating Fundraiser** for the continued support. Since 2005, this fundraiser has **raised over \$100,000** enabling Disabled Sports USA to serve thousands of severely injured service members, including those in Arizona, to rebuild their lives through participation in sports alongside their families, free of cost.”

Kirk M. Bauer JD, Executive Director, Disabled Sports USA

“You have my personal commitment that your involvement will receive the utmost in marketing for your business. It’s a win for everyone, not the least being the Warriors!”
